

Dear PCBW Family,

We're pleased to tell you that the Congregational Care Ministry Team is renewing its mission **"to lead and involve the members and participants of our church family in ministering to those who are in need,"** both in the church family and community.

In fulfilling that mission, the team will engage in four primary areas of caring: the **Prayer Chain**, coordinated by Kathy Jones; **Visitation** with those who are physically unable to participate in the life of the church, either permanently or temporarily; coordinating with the Casserole Ministry and others in **providing meals in times of need**; and finally, overseeing the ministry of the **Agape Fund**, which is coordinated by JoAnn Boswell and Bob Nero. The Agape Fund provides financial assistance to those in our church family and community who need a 'boost' to get them over or through a temporary financial crisis.

The Congregational Care Ministry Team is being led by three of our elders: Dennis Hanggi, Sherry St. Clair, and Renee Strang. Gay Miremont is working as a member of the team, having a strong passion for this ministry as well as extraordinary skills and experience.

Two things have become apparent to these leaders. The first is that there has been a 'gap' in this area of our ministry, and second, that there are an increasing number of people in our church family who have needs that this Team can seek to meet in Christ's name.

Where do you fit in? That's what we would like to ask you to prayerfully consider! We hope to build our team with members and participants from the church family who would use their time and talents to serve with us.

We will be offering a training class sometime later this fall to equip and train those who are interested in serving Christ through the ministry of care.

We look forward to working together as a church family to fulfill what we believe God is calling us to do! If you have any questions, please call Renee Strang at 788-3848. Thank you for your prayerful consideration.

Please let us know your area of interest by filling out the form below and returning it to the church office at your earliest convenience. Thank you!
